2. Approved Mr. Warner's suggestion that staff agents on separation had the same rights as staff employees, but need not be handled in the same manner unless Personnel felt there were advantages therein.

3. Discussed with [REDACTED] of Training about putting lawyers in training slots for probationary period both for training courses and on the job training in OGC. [REDACTED] proposes to use the case of [REDACTED] as a test case. I suggested I would try to locate [REDACTED] to see if he would be available for a similar trial.

7. Mr. Charles Johnson of State inquired whether we could pay [REDACTED] travel expenses to and from North Carolina. I stated that under the Comptroller's rulings, this travel was personal in nature and, under the circumstances presently existing, could not be paid for by the Government. Mr. Johnson suggested further conference on this matter on Monday.
